

DNS Privacy Workshop

This is the homepage of the DNS Privacy Workshop.

The [2021 workshop](#) will again be hosted in collaboration with [NDSS](#) in February 2021. It will be a virtual, online conference.

About

The first DNS Privacy workshop was co-located with NDSS in February 2017. The focus was on all aspects of the threats, the protocols, and future design spaces, of DNS privacy or the privacy of adjacent protocols. Topics presented included DNS in Tor, NSEC5, Usability Challenges, DNS Service Discovery Privacy and DNS Padding Schemes.
